

**In restaurant «Numbers»
at Mamaison All-Suites Spa Hotel Pokrovka Moscow
special vegetarian menu
by senior chef Alexander Kutepov**

Moscow restaurant «Numbers» opens a period of the Lent's week. Guests of the restaurant can enjoy themselves by delicately selected vegetarian menu, consisting of original and appetizing fish, vegetable and fruit dishes.

We respect ancient original Russian traditions. Within the Great Lent we selected a new special menu. It's ideal for people who follows spiritual or vegetarian traditions and wish to have a solid and tasty meal during or after active work day at the same time.

New vegetarian menu starts in restaurant «Numbers» from 15th of February февраля 2010 года.

Restaurant is opener for 24 hours
